Or a creeping traitorous sorcerous servant of those upstart landgrabbers who stole Westpool.wide awake now..The last heirs of the House of Hupun were a boy and girl, Ensar and Anthil. Wishing to end the line of the Kargish kings but unwilling to risk sacrilege by shedding royal blood, the Godking ordered these children to be stranded on a desert island. Among her clothes and toys the princess Anthil had the half of the broken Ring brought by Erreth-Akbe, which had descended to her from Thoreg's daughter. As an old woman she gave this to the young wizard Ged, shipwrecked on her island. Later, with the help of the high priestess of the Tombs of Atuan, Arha-Tenar, Ged was able to rejoin the broken halves of the Ring and so remake the Rune of Peace. He and Tenar brought the healed Ring to Havnor, to await the heir of Morred and Serriadh, King Lebannen.. "Get the sail down," Medra said, peremptory. The master yawned and cursed and began to shout commands. The crewmen got up slowly and slowly began to rake the awkward sail in, and the oarman, after asking several questions of the master and Medra, began to roar at the slaves and stride among them rousing them right and left with his knotted rope. The sail was half down, the sweeps half manned, Medra's staying spell half spoken, when the witchwind struck..circles of ripples from his movement were slight and small. It was shallow for a long way. Then."Hah!" said Golden. "Well! I will say I'm glad of it, son." He ate a small porkpie in one.through him, Roke. The waiting and the."Come" she said, "before you fall asleep there," and he followed her obediently to Berry's room..Though he seldom left the city, Early prided himself on his knowledge of all the Archipelago, gleaned from his sailors' reports and the marvelous ancient charts kept in the palace. He studied them nights, brooding on where and how he might extend his empire.. "But surely you can't tell?". "Are you hurt too?".His father had named him Banner of War. He had come west, leaving all he knew behind him, and had..She came back into herself, into the still air under the trees. Rose made a dim glow of werelight so that they could find their way through the marshy ground around the spring without falling in a sinkhole among the reeds. In the cold darkness under a few stars and the black curve of the hill, they stripped and waded into the shallow water, their feet sinking deep in velvet mud. But San and his wife and the tavern crew wouldn't let it rest, it being the only thing of interest to talk about for the rest of the winter, except the cattle dying. "Besides," Tawny said, "my man's never averse to paying copper where he thought he might have to pay ivory." "Are the cattle he touched keeping afoot, then?" "So far as we can see, they are. And no new sickenings." "He's a true sorcerer, Tawny," Gift said, very earnest. "I know it." "That's the trouble, love," said Tawny. "And you know it! This is no place for a man like that. Whoever he is, is none of our business, but why did he come here, is what you have to ask." "To cure the beasts," Gift said..there was nothing but shame and pain and anger in it for Golden. So he had his tragedy.. "Then I'll carry the cheeses to Oraby," she said, "and sell em there. In the name of honor..little wisdom or gentleness with him. Maybe they were afraid of him.
