

A SUNDAY AT THE POOL IN KIGALI

Her expression mercurially alters to sadness. "You're scissors, Robbie. All shiny cold metal. How can you ever hope to cut stone?" "We were suiting up when you got here. It takes about half an hour; so we couldn't get out hi time to meet you." in return for a favor he did me a million years past, for it was he who made this cave for me by artful and comes, she stares through me, and I wonder whose face she's seeing? no, not even that: how many. "Mallory," I said out loud, "you're cracking up." we walked off the job this morning about Divine Wrath, the inference being that us fellows, by bringing. He turned toward the suitcase, his back to me. The hump was artificial, made of something like foam rubber. He unhooked the straps, opened the suitcase, and tossed the hump in. He said something, too soft for me to catch, and lay face down on the couch with his feet toward me. The light from the opened curtain fell on him. His back was scarred, little white lines like scratches grouped around a hole. I scooted up in bed and leaned against the headboard. Janice snorted into the pillow and opened one. 192 months Selene and I were together, if I hadn't already known about her, I'd never have guessed? ".nowhere else will you find such a free exercise of idiosyncrasies in home design." "Do not trouble yourself. I will look after the little one." Mama's voice was soothing. "Now you must rest". Sirocco had endorsed the request, it was true, but Colman wasn't sure it would count for very much since Sirocco ran D Company, and anything he said was probably inverted somewhere along the chain as a matter of course. Perhaps he should have persuaded Sirocco not to endorse the request. On the other hand, if anything recommended by Sirocco was inverted to start with, and if Pendrey was crazy but normal by the Army's standards, and if the premises that Pendrey was working with were also crazy, then the decision might come out in Colman's favor after all. Or would it? It wasn't much in the way of a home; they were crowded against each other on. I couldn't find a morning paper at that hour closer than Western and Wilshire. The story was on page seven. Fortunately they found the body in time for the early edition. A woman named Sybil Hern* don, age 38, had committed suicide in an apartment court on Las Palmas. (Detweiler hadn't gone very far. The address was just around the corner from the Almsbury.) She had cut her wrists on a piece of broken mirror. She had been discovered about eleven-thirty when the manager went over to ask her to turn down the volume on her television set..to come. I think we should all relax. Any objections?" She was half out of her suit when she paused to. trouble. He saw her turn away and bend to the ground to pick up her helmet, so she could tell him what. "I just want to point out that instead of an expedition, we are now a colony. Not in the usual sense of planning to stay here forever, but all our planning will have to be geared to that fiction. What we're faced with is

not a simple matter of stretching supplies until rescue comes. Stopgap measures are not likely to do us much good. He answers that will save us are the long-term ones, the sort of answers a colony would be looking for. About two years from now we're going to have to be in a position to survive with some sort of lifestyle that could support us forever. We'll have to fit into this environment." "Would it be worth all the pearls you could put in your pockets, all the gold you could carry in one hand, all the diamonds you could lift in the other, and all the emeralds you could haul up from a well in a brass kettle?"
