why; I find myself reaching for the shield that covers the emergency total cutoff. I stop my hand..The stories in this book cover the period from our November 1976 issue through the middle of 1979, a period of great growth in the science fiction field, at least in terms of numbers. If you're the sort who likes to sniff the air for trends, you may have detected a smell of old attics, as much sf seemed to swing back to traditional, even old-fashioned themes and forms. Compare 2001 to Star Wars..demonstrated..It was so dark in there with the curtains drawn that I couldn't see a thing. I left the closet and opened them a little on the front window. It didn't let in a lot of light, but it was enough. Maybe Detweiler wouldn't notice. I went back to the closet and waited.. "Whatever I happened to be thinking at the moment I wrote each poem," "Yes?" She had a breathless voice. Her eyes quickly traveled the length of my body. That happened often enough to keep me feeling good, but this time it gave me a queasy sensation, like I was being measured for a mummy case. We have a thousand theories about what they may be like, and I won't bore you with them yet, but this is one thing we do know. They can build anything they need, make a blueprint in DNA, encapsulate it in a spore and bury it, knowing exactly what will come up in forty thousand years. When it starts to get cold here and they know the cycle's drawing to an end, they seed the planet with the spores and ... do something. Maybe they die, or maybe they have some other way of passing the time. But they know they'll return.. So as a public service (and to save you from the embarrassing experience of talking about the 1969 The Pterodactyl That Ate Pet-rograd when someone else is discussing the classic 1932 version), let's sort out some of these. (With one or two

exceptions, I'll ignore silent films as being for the most part lost in the dim past.)
