The next day she said, "I'm going to sit under the trees." Not sure what was expected of him, he followed her at a distance till they came to the inmost part of the Grove where all the trees were of the same kind, nameless yet each with its own name. Perhaps a long geographical separation caused a gradual natural divergence, a differentiation of species. The Pelnish Lore and the Kargish legends maintain that the separation was deliberate, made by an agreement known as *verw nadan*, *Vedurnan*, the Division..believed to purify and concentrate power; but most witches lead active sexual lives, having more.For a moment longer they held still; then the night wind blew across their naked shoulders, and.After a little silence Otter said, "Thanks."
