Her room was behind the chimney. Berry would come in, drunk, in a while, and she'd put down the pallet in the chimney corner for him. Let the traveler have a good bed for a night. And "a woman on Gont" .,Gelluk wore fantastic clothes, as many of his kind did in those days. A long robe of Lorbanery silk, scarlet, embroidered in gold and black with runes and symbols, and a wide-brimmed, peak-crowned hat made him seem taller than a man could be. Otter did not need to see his clothes to know him. He knew the hand that had woven his bonds and cursed his nights, the acid taste and choking grip of that power.."It's nothing," he said. They were standing around her, a kind of guard, when the group of thirty or more men came past the little house and approached them.
